## Sentinel Hosts WX Day/Open House

October is National Energy Awareness month and October 30 is National Weatherization Day. CADC's annual commemoration was held in the Sentinel CADC office/Head Start Friday, October 29. Remodeling construction had just been completed on the Sentinel facility which houses offices for the Senior Nutrition Program, Weatherization, and the Head Start.

The staff was rightly proud of their new work environment. There were more than eighty visitors welcomed that

Friday. The Weatherization staff gave demonstrations of Weatherization techniques and equipment, answered best practices questions and cooked hot dogs for the guests.

Guests toured the facility and one highlight of the tour was the new freezer area with the new walk-in style freezer.

Head Start students even had a great time, as they had their Halloween party.

## Donation Received

Mason Jim Smith and TCSA Representative Marsha Stone

Tillman County Salvation Army partnered with the Frederick Masonic Lodge #249 on a fund raising campaign. The Masons matched the first \$500 donated. The campaign ran September through December with donations totaling \$2,891. Local residents and civic groups were generous in their donations to help those in need.

# December Board Meeting & Christmas Party

December 6, 2010 CADC held the annual Board Meeting/Christmas party at the Frederick Great Plains Technology Center. After all business was conducted, dinner was served to more than 90 attendees which included board members and their spouses, civic leaders, and employees.

Brent Morey presented a power point presentation that highlighted many of the Agency's accomplishments of 2010.

Representative Purcy Walker

The evening's Musical entertainment was Christmas music performed by board members Representative Purcy Walker, Dave

Johnson & Brent Morey (Director), and Reid & Cherrel Davis. The evening concluded

with everyone joining in on a rendition of Jingle Bells.

Merry Christmas!

## RRTS Expansion

Many months of planning and preparation have paid off, Red River Transportation Service has now expanded service into Cache. Offering daily local Demand Response and round trip transportation to Lawton.

Local Demand Response Service (door to door) is offered at the CADC standard rate of \$1 per stop (\$.75 for seniors and/or persons with disabilities). Local demand response service includes Cache, Indianoma, and Pecan Valley.

RRTS is offering "Free Ride Friday" on the second Friday of the month for local service only.

The Lawton trips are offered at \$5 to any ad-

dress in Lawton, with a 24-hour notice.

The Cache Chamber of Commerce, very supportive of this expansion, donated the office space in their building for our use. The address is 416 W. "C" Avenue, Cache.

A Grand Opening was held December 1, 2010, and the bus began transporting customers December 2.

Bridgett Roof is the dispatcher, and Tom Loving is driving the bus.

To contact the office or schedule ride, call 580-429-0030.

# Pat Allen Retires

Wisdom says time changes everything, but for thirty-three years Pat Allen has been a constant for Community Action Development Corporation (CADC). She has been witness to many changes over the years including the changing of the Agency name from RECAP to CADC, and moving the offices from the top floor of the Old City Hall to the current location. The next big change happened December 31, 2010, for that is the date Pat chose to retire.

Pat began working for the Agency in February 1978 as an Outreach worker, and promoted to Book-keeper two years later, over the years her position changed to Purchasing Officer. "Pat has always been one of the most dedicated, reliable members of our staff, and it will feel really strange not having her arrive early every day to get things started," states Brent Morey, CADC Executive Director.

According to Pat, she will miss the daily interaction with the staff. The staff has changed over the years, but "working with so many nice people, some are here and others that have gone has made this job so enjoyable." Pat has made lasting friendships with fellow employees during her

time with CADC.

"Retirement is going to be fun. I will be spending time with my family, and will have more time to rock my great grandbabies and other babies who happen to come in".

A retirement reception was held December 3 to honor Pat. Many friends, employees and family attended the event. Also attending the event was Representative Don Armes who presented Pat with a proclamation in honor of 33 years of service to CADC. Pat was also recognized at the December Board Meeting/ Christmas Party.
